## **NEW EDUCATION AND TRAINING WEBSITE**

Dear colleagues,

The CWU has launched our new education and training website today. This new site can be viewed here [www.education.cwu.org](http://www.education.cwu.org)

We are pleased with the look and feel of the new site and we hope branches, representatives, ULRs and members can use it to continue and enhance the unions excellent online education and training presence.

In launching the site, we are aware there will be teething problems and we encourage any users to report issues to April O'Neill via email [aoneill@cwu.org](mailto:aoneill@cwu.org)

Any enquiries on the content of this LTB should be directed to Marcia Murray [mmurray@cwu.org](mailto:mmurray@cwu.org)

Yours Sincerely,

**Dave Ward - General Secretary**

**Trish Lavelle - Head of Education and Training**

**Chris Webb - Head of Communications, Engagement and Media**
