

## Recommended Student Return Dates

**Northumbria  
University**  
NEWCASTLE

Below is a list of courses with return dates for face-to-face teaching at the end of January and early February.

All teaching will start on 25th January and if you aren't on campus that week, your teaching will be online with face-to-face teaching starting the week after. The list is in alphabetical order and each date applies to all years of study, except Post Graduate Research. For ease, you can quick search this list by pressing Ctrl + F and type in the name of your course.

We recommend that you test no later than a week before your face-to-face teaching begins, and we have listed this date for you too. You may take a test earlier if you wish.

For Medical Sciences, Occupational Therapy (and Pre Registration), Physiotherapy (and Pre Registration), Social Work, Social Work (PRSB Framework) and Sport Coaching – there is a separate box at the bottom as the year levels are separated out.
