

**Unity Center of Light**  
**Our Core Values:**

**Love:** The pure essence of being that binds together the whole human family. Love is an inner quality that sees good everywhere, in everyone and everything. Divine love loves for the sake of loving, and is unconcerned with what or who, or with the return of love.

**Wholeness:** The perfect unification and expression of humankind as spirit, soul and body.

**Spiritual Awakening:** Becoming more conscious of the things of Spirit or God. The dawning or realization of Truth in consciousness.

**Oneness:** The One contains all and all exist in the One. There is no separation between us and God or between ourselves. We are interconnected and individualized expressions of the One.

**Sacred Service:** Is an opportunity to further develop our consciousness of love and oneness through working together for the common good.

**The Five Unity Principles:**

1. There is only one Presence and one Power active as the Universe and in my life, God the Good omnipotent.
2. We are spiritual beings, created in God's image. Therefore, the spirit of God lives within each person; making all people inherently good.
3. As co-creators with God, we create our reality through the thoughts we continuously hold in our mind.
4. Through prayer and meditation, we align our heart-mind with God. Denials and affirmations are the tools we use to maintain this alignment.
5. Knowledge of spiritual principles is not enough. We must live the Truth we claim to know.

## UPCOMING EVENTS

April 5      Palm Sunday Palm Walk  
April 12     Easter Flower Service

We've been told that 20-20 vision is perfect, but for the year 2020, let's expand the definition. Perfect vision has nothing to do with how far our eyes can focus without assistance. It's all in how we see the world. People who wear rose-colored glasses see only the good in people and circumstances. Those with a gloomy outlook are focused on what might go wrong. We all see the world through a particular lens, and we can choose what it is. **The annual theme for Unity in 2020—"Perfect Vision: Seeing Through a Spiritual Lens"**—reminds us of those choices. Each monthly section is focused on a particular way of seeing the world or looking for specific qualities in events and people.

We continue this year to have a monthly focus such as **"COMPASSION. Through Acts of Love I Live."** which is the theme for March. Each month we honor a group of volunteers who step forward in Sacred Service. **In recognition of Youth and Family Ministry Month for the month of March, we honor and appreciate our Youth Educators who provide a safe and growing place for our youth.**

**This week the adults with our youth include Nicole Cousin-Gossett, Bonnie Sermons and Don Anessi. Their focus will be the oneness with all life; our universe expresses God.**
