

What is a Fun Palace?

A fun Palace is a get together run by the local community for the local community. The celebration weekend is the first weekend of October. 2022 fun Palace is 30th September to 2nd October. The idea is, that the local community get together and share any skills or interests they may have, for example, if you are good at making something crafty, or cooking, or playing an instrument-you might run a Fun Palace to show other people in your local community your interest! (the outcome of what you make is not important).

Do you have an interest or secret skill you'd like to share with the local community?

You might show people how to decorate cakes, how to use sign language, how to do salsa dancing, how to preserve vegetables.

Go to the Fun Palaces website for ideas: **funpalaces.co.uk**

Fun Palaces come in all shapes and sizes, and there is no right or wrong way for a Fun Palace to look. 20 minutes, an hour or all weekend is fine!

Where?

You could hold a Fun Palace in your local library, park or centre-anywhere!

If you are an individual and you have a interest you would like to share, or you are a group and want to get involved, please contact Rotherham's Fun Palace Ambassador, Rhiannon Lister-Coburn.

Email: Rhiannon.Lister-Coburn@rotherham.gov.uk or

Telephone: 01709 334476

(my usual working days are Tuesday and Wednesday).
