

HEALTH ALERT Coronavirus disease (COVID-19) PREVENTION

IF YOU HAVE A FEVER, COUGH, SHORTNESS OF BREATH,
AND have traveled outside of Canada in the last 3 weeks

OR have cold symptoms and have been in close contact with someone who has travelled internationally or been in venues with more than 100 people.

For the safety of our most vulnerable patrons, please do not enter the premises.

**If NO to ALL of the above,
please proceed.**

Thank you for your understanding!

Our hearts are with all those affected by the virus. We would like to reassure visitors that we have taken extra precautions to keep our customers safe.
