Dear Ms Nurser,

Royal Borough of Kensington and Chelsea - New Local Plan Review Examination

The Council submitted the New Local Plan Review (the Plan) for examination in February 2023. As part of the examination, hearings were held in June/July 2023.

The Council considers that the Plan as submitted was 'sound'. However, in the event you found this not to be the case, at the start of the hearings, you asked the Council if it would request Main Modifications to make the Plan 'sound'. The Council had answered in the affirmative. This letter confirms the Council's response and formally requests that as the Inspector appointed by the Secretary of State to examine the Plan, you recommend any Main Modifications necessary to make the Plan sound.

Yours sincerely,

Preeti Gulati Tyagi
Planning Policy Team Leader
