

CUSTOM MADE PONTOONS

CUSTOM MADE MODULAR CONTAINER PONTOONS

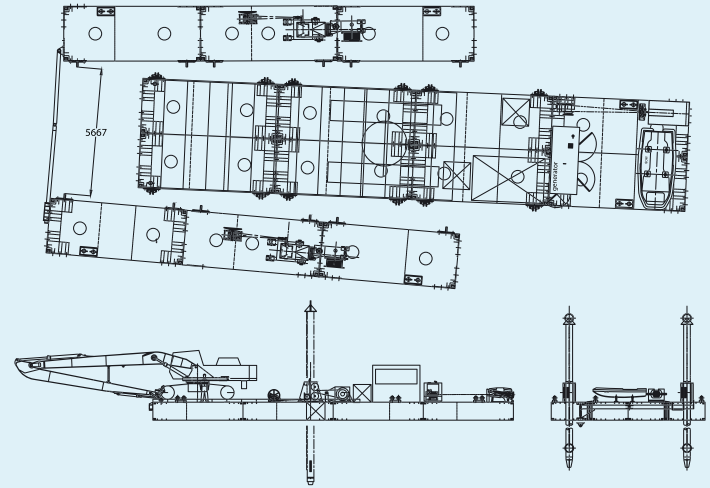

CUSTOM MADE MODULAR CONTAINER PONTOONS

Main Specifications

Length	24,38 m
Breadth	10,40 m
Depth	1,22 m
Loading capacity	100 tonnes

The Modular Container Pontoon consists of:

- 12 pcs 20' Modular Containers Pontoons
- 2 pcs 20' Modular Container with spud
- 2 pcs Spud legs \varnothing 763 x 8.000 mm
- 2 pcs Hydraulic single drum spud leg winch 18 tonnes capacity
- 1 pc Remote Control unit
- 1 pc Generator
- Quick special couplingsystem
- 1 pc Inland certification

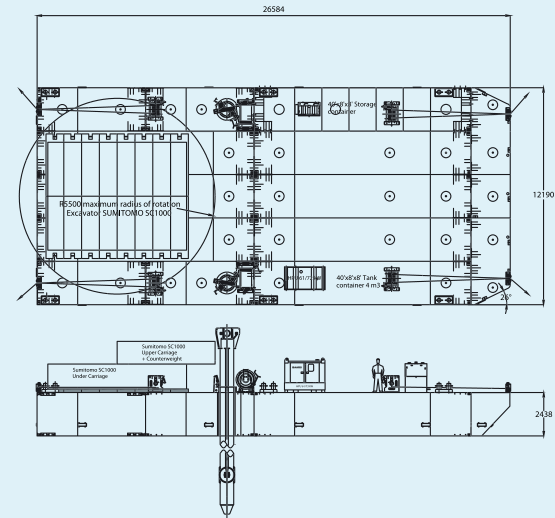

Main Specifications

Length	26,58 m
Breadth	12,19 m
Depth	2,44 m
Loading capacity	450 tonnes

The Modular Container Pontoon consists of:

- 8 pcs 40' Modular Containers Pontoons
- 2 pcs 20' Modular Container Pontoons
- 2 pcs 20' Modular Container with spud
- 2 pcs Hydraulic single drum spud leg winch 18 tonnes capacity
- 2 pcs Spud legs \varnothing 763 x 18.000 mm
- 2 pcs ramp 7 meter
- 1 pc Diesel driven hydraulic power pack 62kw remote controle
- 1 pc 40' container bow
- 1 pc 40' container incl. Fuel container
- 1 pc 40' container incl. Storage container
- 85 m railingsystem 40x40x100 cm wire
- 4 pcs 7 tonnes hydraulic winches
- 4 pcs roller fairleads
- 8 pcs wooden matrasses for protection
- 6 pcs anodes
- 1 pc anchor lights including mast
- 1 pc Certification unmanned, French Flag

Main Specifications

Length	63.40 m
Breadth	14.63 m
Depth	2.90 m
Loading capacity	1400 tonnes

The Modular Container Pontoon Hull construction

- 24 pcs 40' Modular Containers Pontoons
- 1 pc 40' Container Pontoon DO-tank
- 4 pcs 20' Modular Containers Pontoons
- 2 pcs 20' Modular Container with spud
- 2 pcs 24' Modular Container with Bow L+R
- 2 pcs Bow (height) Container 1.524 mm height
- 2 pcs Bulwark side walls

Deck Equipment (excl. Powerpacks)

- 2 pcs Walking spudleg systems
- 2 pcs Stabilizing spudleg systems
- 4 pcs Single drum 60 tonnes winches
